Boston, Massachusetts – June 11, 2002 -- Clear Channel Entertainment announced today that one of the most popular rock-n-roll bands in America is heading out on a National Tour with over forty dates scheduled across North America. The Tour will kick off in Holmdel, NJ on August 13th and will run all the way through November. The Boston bad boys, Aerosmith, have rocked the nation for over 25 years and show no signs of slowing down! Aerosmith has been recognized time and time again for their musical achievements and contributions over the years, including being inducted to The Rock Hall of Fame and having the honor of recently becoming one of MTV's "Icons". They are one of the few bands that have maintained the same line-up over the years and continuously releases top selling albums and top ten singles, such as their latest "Theme from Spider Man" and last year's "Jaded." Aerosmith has become known for such mega-hits as "Walk This Way," "Sweet Emotion," "Dude (Looks Like a Lady)," "Janie's Got A Gun," and "Dream On," to name a few. A new release containing the greatest hits as well as several new tracks including their new single, "Girls of Summer," is due out in June. With vocalist Steven Tyler, lead guitarist Joe Perry, bass guitarists Tom Hamilton, guitarist Brad Whitford and drummer Joey Kramer, Aerosmith is a force that must be experienced live.

"I can't wait to get back on the road!! Loud guitars, screaming girls, diesel fuel and room service!! Forget about it!! What's not to love about that?!?!?" – Steven Tyler
